MRS JAHOU S FAAL – Director of Academic - 4392841
MR Martin J Goddard -Director of Admin. And Finance 4374527
MR KAKAI SANYANG – Registrar - 4374524
MR SALIFU K S CAMARA- Chief Accountant - 4393319

The following is a detailed list of all the courses, and their annual fees that GTTI intends to offer in the forthcoming academic year, starting 19th September 2011.

There will be some additional costs such as those connected with external examination fees. Details of the courses, equipment and text books required, could be obtained from the relevant department.

Female Students opting for any of the technical courses in Engineering and Construction would enjoy a discount of 30% of the tuition fees. This is to encourage the participation of girls and women in the male dominated area.

Advice on this and other matters relating to your further studies can also be obtained from the Careers Centre, situated above the Library.

Contact: Mrs. Sainabou Ceasav Tel: 9989737

In addition to the main courses listed, GTTI regularly runs short courses. These may be specialist courses in such subjects as IT or aspects of English language requested by Government departments or other organizations
